## Directions

**Take Kellogg (US-400) East towards Augusta. Follow 400 past Fredonia. Continue East through Parsons. Stay on 400 until you get to the intersection where 400 turns North and South. Continue East through the intersection onto KS 171. Once you cross the state line, veer Southward onto MO-171. Take 171 to MO-96. Turn left and take 96 to M-M road and turn south. Just as the road curves you'll see Captain John's Lake. You will turn right into the parking lot.**

**LET'S GET WET!!**

# What to expect?!?

As you arrive at Oronogo, you will have to stop at the gate/dive shop and pay your entrance fee for the day and fill out the release form. IT IS APPROX. \$12 PER PERSON. You will drive to the south part of the parking lot and park and begin to unload your equipment and do your Pre-Dive Safety Check to begin your diving.

In between dives, we want you to relax and we will have discussion about the dive and prepare for the next one. During this time, it is optimal to have something to eat and drink-so BRING YOUR COOLER! Don't forget that we will be doing this TWO DAYS, so bring plenty for both days. It is very important to remain hydrated, so water is our recommendation-Alcoholic beverages are not.

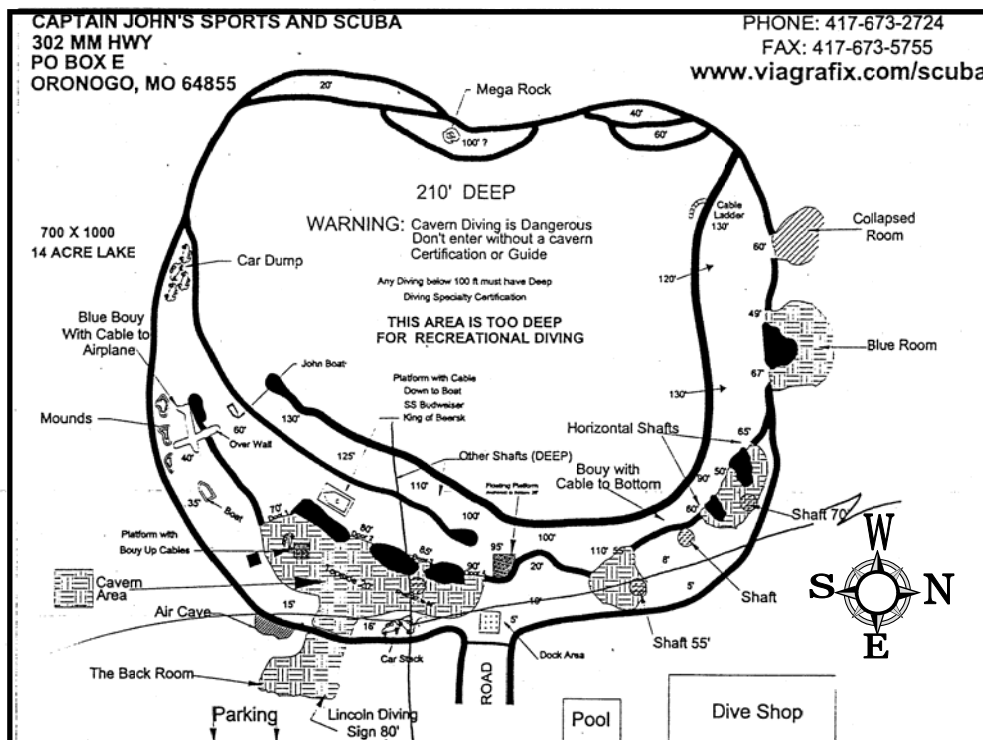

While we are eating and discussing the dive, we will also be logging them into your permanent record, your BLUE PADI DIVE LOG. Be sure to bring this with you, along with your DIVE TABLES, so that we can practice planning the dives and your instructor can sign your log book. Also, during this time, we will need to fill our air tanks. AIR TANK FILLS ARE APPROX. \$4 per fill. YOU WILL NEED AT LEAST 4 for the weekend.

We will also need a PASSPORT SIZE COLOR PHOTO for your certification card if you have not already provided us with one.
